trapeze™ three star base

two standard finishes:
polished aluminium or metallic texture

wide stance

narrow stance

top leg support (horn)

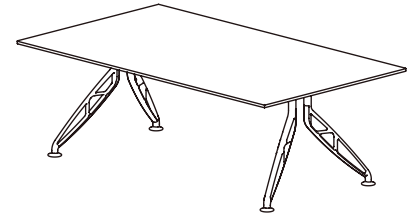

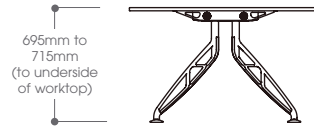

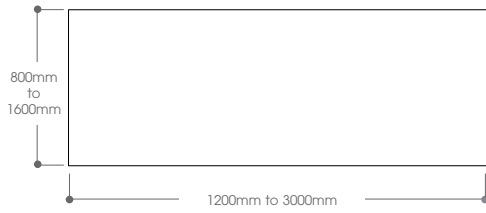

glide

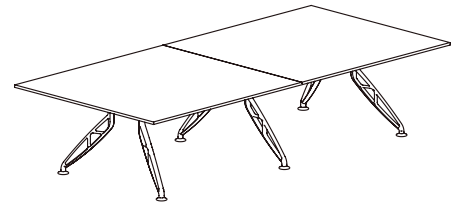

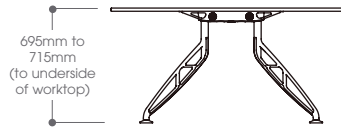

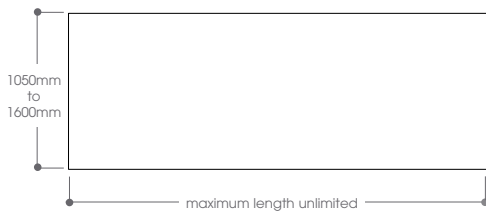

suitable for worktops with
power boxes

trapeze™ specifications

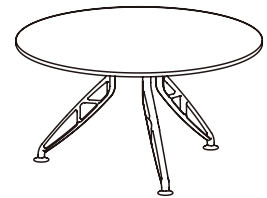

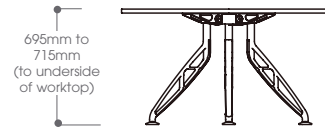

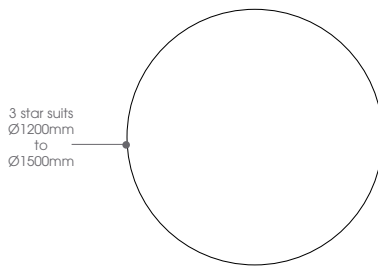

- **trapeze™** accommodates tops of unlimited length providing endless opportunity for a wide variety of configurations and table widths of up to 1600mm
- **trapeze™** legs can be positioned at two foot widths for narrow and wide tables
- **trapeze™** legs can be angled at 0 degrees, 22.5 degrees, and 45 degrees depending on the aesthetic requirement
- **trapeze™** legs can be positioned at any point along the beam to accommodate various table overhang requirements
- all abovementioned adjustments can be made on site as the table is assembled
- **trapeze™** uses up to 85% aluminium content and a minimal number of components for easy disassembly and recycling
