

Introducing the Deluxe Profile Workstation with Eco Panel

Deluxe Profile Workstation with Eco Panel Screen are designed to maximise space and boost productivity in any workplace. Available in three standard top sizes, each features a handy scallop for easy cable access and recessed leg for full legroom, making them ideal for long workstation runs. The 27mm T Eco Panel Screen, in either black or grey PET, provides added user privacy while maintaining a modern aesthetic.

Choose from single-sided or back-to-back configurations to suit your office layout. All models are offered in three sizes, two frame colours, and two worktop colours, ready for immediate delivery
