

Knox Locker Range.

Introducing the Knox Lockers range - a secure and effortless storage solution for modern offices, recreational and educational spaces. Knox lockers offer keyless entry with combination locks and master key override, ensuring hassle-free access and security. With unique mail slots that enhance air ventilation and easy-to-open doors, the Knox lockers are both practical and user-friendly.

Features

Provides secure and hassle-free user access with combination lock, while allowing administrators to access with master key override easily if needed.

Mail slots enhance air ventilation and provides easy access to mail and small items.

Versatile hanging rail (available in one and two door locker options).

Solid 18mm back for ease of installation.

Backed by OLG's 10-year warranty.

Available in Nordic Maple and New Oak Ravine finishes, with other colours on request, and various door options.
